Success is the sum of details

SPARKUNA FOR CLASS TEACHERS · GRADES 1–6

Your class on Sparkuna. One lesson to start.

Practice, picture books that read aloud, games and English for the youngest. Free for every pupil. Start with the whole class in one lesson, then keep going ten minutes a day.

7,800+	162	125	0
practice questions for Grades 1–6	picture books that read aloud, 18 levels	Play Lab games, explorations and stories	passwords to remember: the school Google account

Before the lesson

- ✓ Every pupil has a **school Google account** that works. Ask your IT team if you are not sure.
- ✓ Book the iPads or Chromebooks. **Headphones** help the youngest hear each question.
- ✓ Grades 1–3: write each pupil's account on a small card.
- ✓ Open **www.sparkuna.com** in Chrome or Safari, not inside WhatsApp or Instagram (Google refuses sign-in there).

The first lesson

About 35 minutes. Show each step on the class screen first.

1 — 10 min
Sign in together
www.sparkuna.com → Sign in with Google → pick the grade and a friend (a companion that grows with practice).
Grades 1–3: one step at a time, all together.

2 — 10 min
Today's path
Press the big **Start** button on the home page. A few short questions, then a game as a treat.
Grades 1–3: every question is read aloud.

3 — 10 min
Read one book
Reading in the top bar → a book at the pupil's level. It reads aloud, word by word, then five short questions.

4 — 5 min
Finish together
A **Live Class** quiz from Teachers Hub (pick the Mystery Animal: every right answer opens a tile). Or a Play Lab game on **Full screen**.

EVERY DAY

Ten minutes a day

- ✓ Maths, Science, Reading and Writing; English for Grades 1–3.
- ✓ A wrong answer never takes points away. The friend shows how.
- ✓ Tell families: the same account works at home.

EVERY WEEK

See who needs a nudge

- ✓ **Teachers Hub → My Students**: who practised this week, which chapters, who needs help.
- ✓ Reading tab: each pupil's **reading level** (1–18). You can change it.
- ✓ One Live Class a week keeps the whole class going.

TOGETHER

Whole-class moments

- ✓ **Live Class**: no names on the screen, no timer, one class goal.
- ✓ **Tug of War**: two teams on the class board.
- ✓ Every Play Lab game has a **Full screen** button for the board.

Pupils start here

Sign in with the school Google account, then pick the grade.
