SPARKUNA FOR TEACHERS · IN CLASS

Tug of War in your class.

Two students at the touch screen, one panel and one question each. Every right answer pulls the rope one step, and the class cheers them on.

1 · QUESTIONS

Pick or write the questions

- ✓ **Sparkuna questions:** Maths and Science by grade, up to 6 chapters, by topic and Easy / Medium / Hard; English for Grades 1–3 and 7–12.
- ✓ **Your Question Bank set**, or **write your own** in any subject. At least 4 multiple-choice questions.

2 · THE GAME

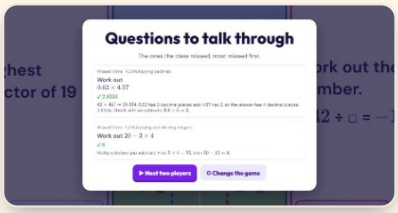

A right answer pulls

- ✓ Each side gets **its own questions** from the same set, never the one on the other panel.
- ✓ A wrong answer shows the right one and waits 2 seconds, or the rope slips back a step.
- ✓ Team names and companions; no time limit, or 2, 3 or 5 minutes.

3 · AFTER THE ROUND

Talk it through

- ✓ **Next two players** plays on and keeps the score of rounds.
- ✓ **Questions to talk through** lists the ones the class missed, most missed first, with the answer.
- ✓ Sent to a separate screen? **Your laptop follows the score** live.

The last ten minutes

A starter, a review before a test, or the end of a lesson.

1 — Pick a way
On the board, a laptop on a cable, or sent to the board with a code

2 — Two players
One at each panel. Start goes full screen

3 — Pull to win
The ribbon crosses the line, or the team ahead when time is up

4 — Next two
New players, then talk through what was missed

Your own questions, one per line

The question, the **right answer**, then 1 to 4 wrong ones, with **|** between them. Rows pasted from a spreadsheet work too. The board shuffles the answers.

```
The cat is ___ the box. | in | on | at
7 × 8 = ? | 56 | 54 | 64 | 48
```
